SONOROUS[®]

SONOROUS[®]

Sonorous provides audio&video related products with focus on quality, functionality and aesthetics. Founded in 2004, a solid position and reputation worldwide has been built up over the years. Now represented worldwide in more than 50 countries via strong partnerships with a global network of distributors.

Our products are engineered to meet the demanding needs of today's electronics and represent an attentive monitoring of market trends and changes. Continuous research into materials and finishes has been distinguishing characteristics of Sonorous.
